

Dear IEEE NEMS 2011 Conference authors,

This is Jung-Hao Wang, the scientific conference secretariat. There were 40 expanded manuscripts from the conference full papers to be submitted to the special issue produced by IET Micro and Nano Letter (MNL) and IET Nanobiotechnology. The conference thanks the authors for submitting their expanded manuscripts to the special issue. However, the conference reminds that **the submission is closed since the deadline was March 14.**

The conference thanks for your attendance and support.
